

REMARKS

Applicants respectfully request reconsideration of the present application in view of the foregoing amendments and following remarks. Claim 5 is amended in this Amendment. A detailed listing of all claims that are, or were, in the application is presented with an appropriate defined status identifier. After amending the claims as requested, Claims 1-7 and 9-20 remain pending in this Application. The Notice of Allowability of June 28, 2006 indicates that Claims 1-7 and 9-20 (as listed in the communication of May 22, 2006) are allowed.

On July 7, 2006, Supervisory Patent Examiner Ghud Gartenberg called the undersigned attorneys to advise Applicants that independent Claim 5 (as allowed) includes language that is unclear and needs to be corrected before or concurrent with payment of the Issue Fee. Specifically, Supervisory Patent Examiner Gartenberg asserted that the claim language "located with respect to the grille," as used in independent Claim 5, was unclear. Independent Claim 5 is amended herein to recite that the first apertured plate is "located below the grille," rather than "located with respect to the grille." Accordingly, Applicants submit that this amended language is clear and is consistent with language used in independent Claims 1 and 11.

Applicants assert the present Application remains in condition for allowance. The Examiner or the Supervisory Patent Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the issuance of the present Application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 06-1447. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1447. If any extensions of time are needed for timely acceptance of papers submitted herewith, Applicant hereby petitions for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 06-1447.

Respectfully submitted,
